SERVICE INFORMATION

The Service Procedures for the following will no longer be available in Technical Service Bulletins:

- NATS Key registration.
- Intelligent Key registration.
- Steering Lock Unit ID Registration.

These Procedures are now only available in the CONSULT-III Operations Manual.

You must have the Security Key installed to access the Manual.

The Manual is blocked from print functions for security.

To open the Manual: Close ASIST. Click on START, then CONSULT-III Operation Manual. From the Manual Selection window select CONSULT-III Operation Manual NATS-NVIS. Then select the language choice.

Use the information in the Table on the next page to determine which Manual Selection is required for the vehicle you are working on.

Infiniti Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. NOTE: If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Infiniti dealer to determine if this applies to your vehicle.
